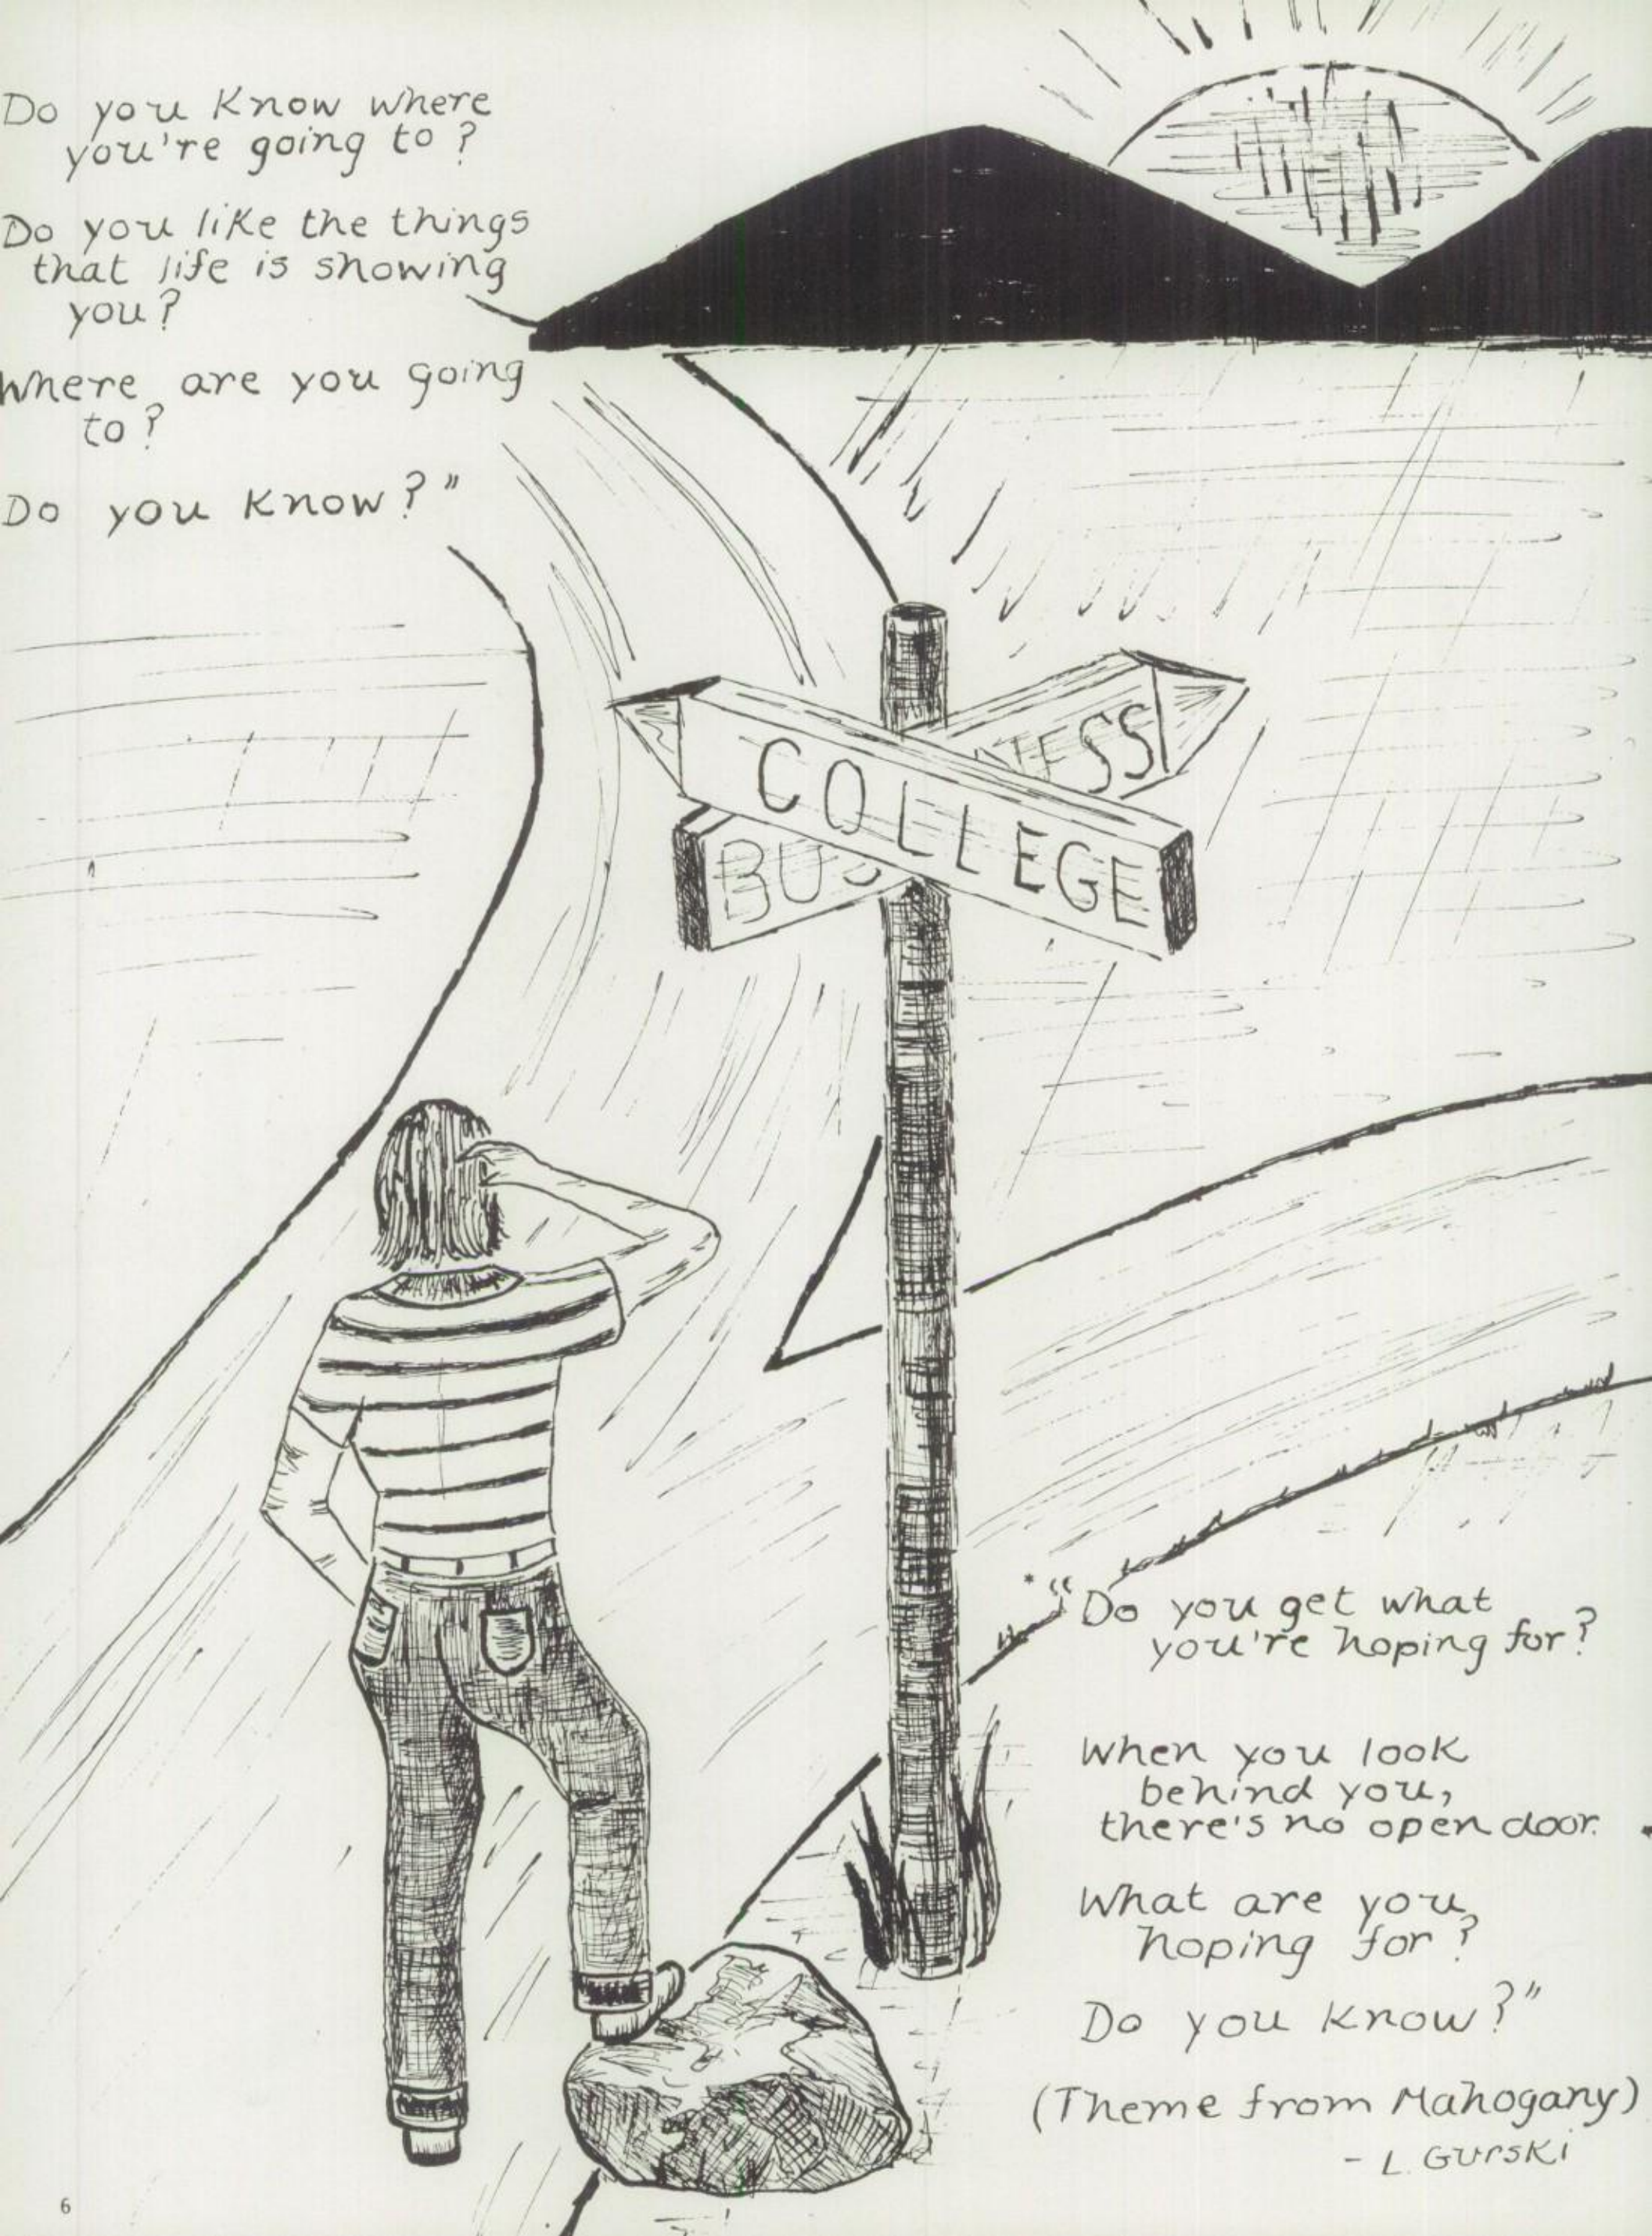
Do you Know where you're going to?

Do you like the things that life is showing you?

Where are you going to?

Do you Know?"



"Do you get what you're hoping for?

When you look behind you, there's no open door.

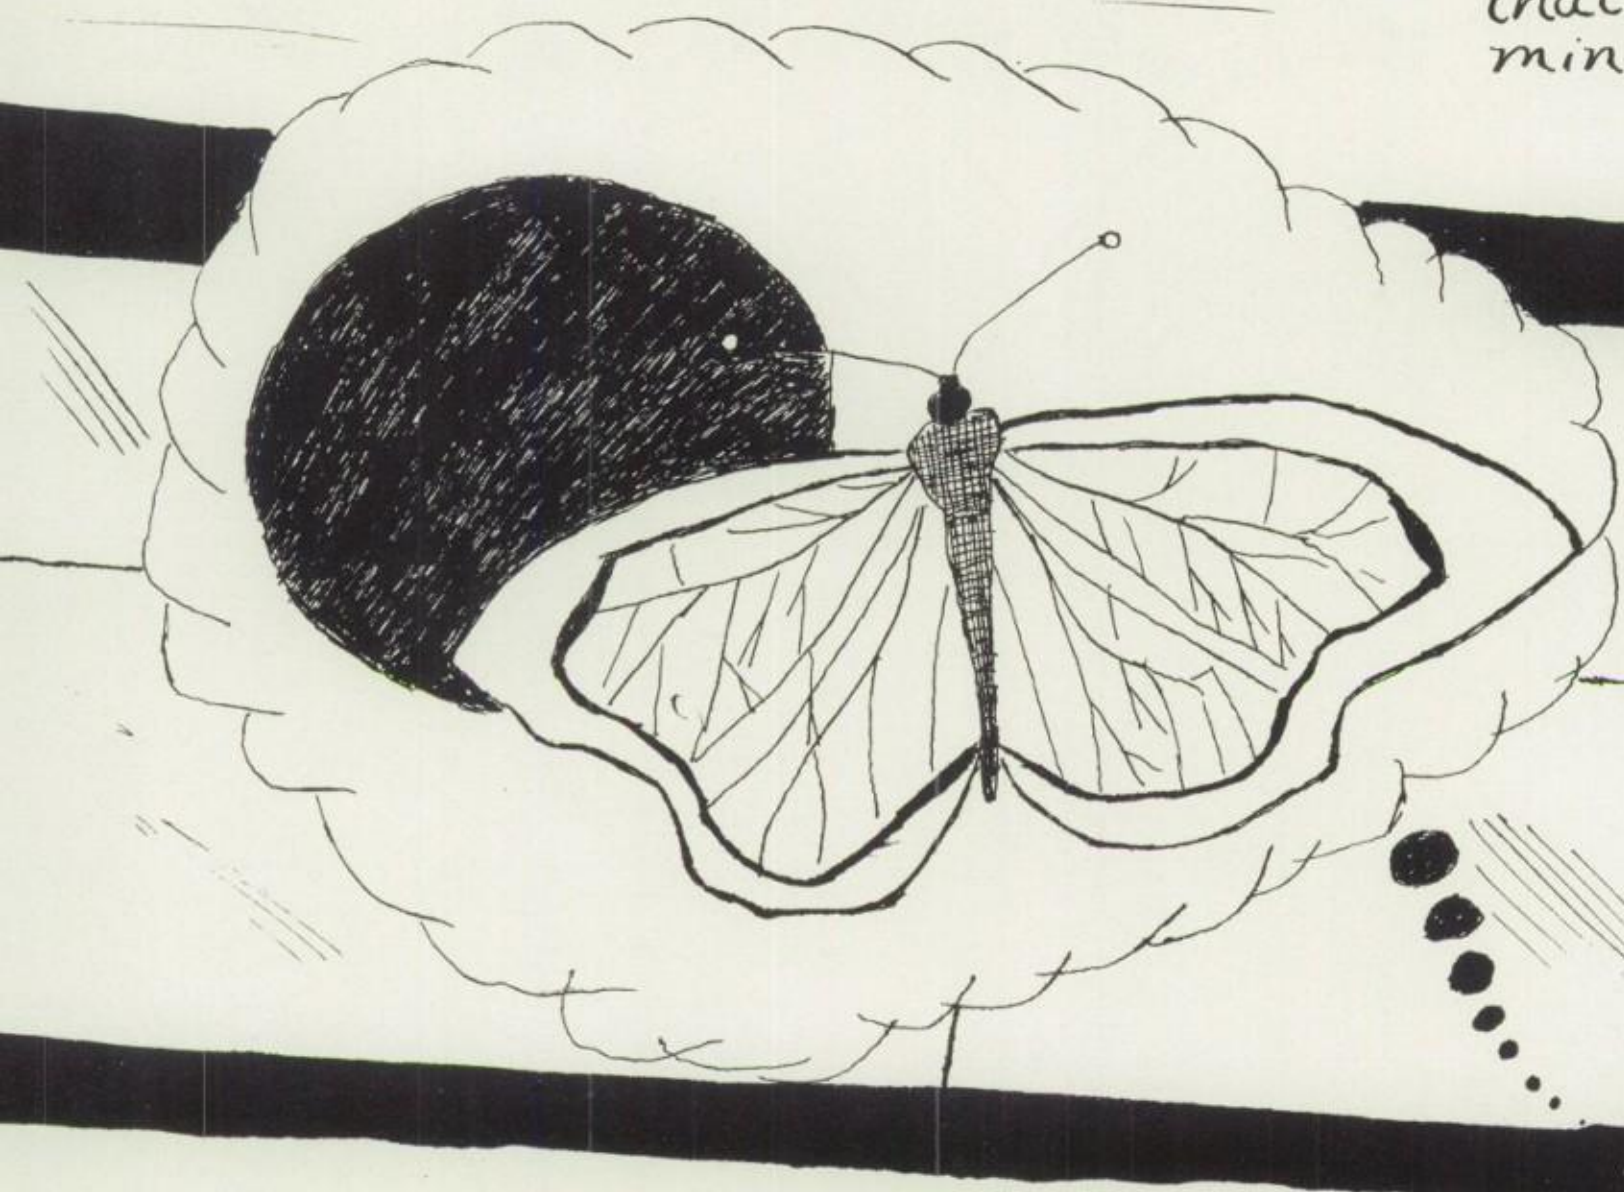
What are you hoping for?

Do you Know?"

(Theme from Mahogany)
- L. GURSKI

*"Once we were standing still in time.

Chasing the fantasies that filled our minds."



*"And you knew how I loved you, but my spirit was free, laughing at the questions that you once asked of me."

"Do you know where you're going to?

Do you like the things that life is showing you?

Where are you going to?

Do you know?

"Now looking back at all we planned we let our many dreams just slip through our hands."

"Do you know where you're going to?

Do you like the things that life is showing you?

Where are you going to?

Do you know?"

"Why must we wait so long before we see how sad the answers to those questions can be."

"Uh, what do I do now?"

The 1976 Wilson football team finished the season with an 8-3 record overall and an 8-2 record in the Lancaster-Lebanon League. Their defeats came from Pottsville, Manheim Township, and Conestoga Valley. Coach Gurski's team was in contention for part of the Lancaster-Lebanon League Championship before losing a controversial game to Conestoga Valley in the last twenty-two seconds. They also defeated cross town rival Governor Mifflin for the first time since 1972. They ended the season by taking second place in the league behind champion Manheim Township. The co-captains of the 1976 football team were Carl Dragonette and Tom O'Brien.

SOCCER

The Soccer team had a 3-13 season, 300% better than last year. Although not exactly a winning season, the team worked very hard. Coaches Barry Stump and Robert Bright drove the team hard throughout the season. Highlights of the season were victories over N. Chester, Oley, and Owen J. Roberts. Two members of this year's team, Scott Surgeoner and Karl Heimbach received Honorable Mention All County.

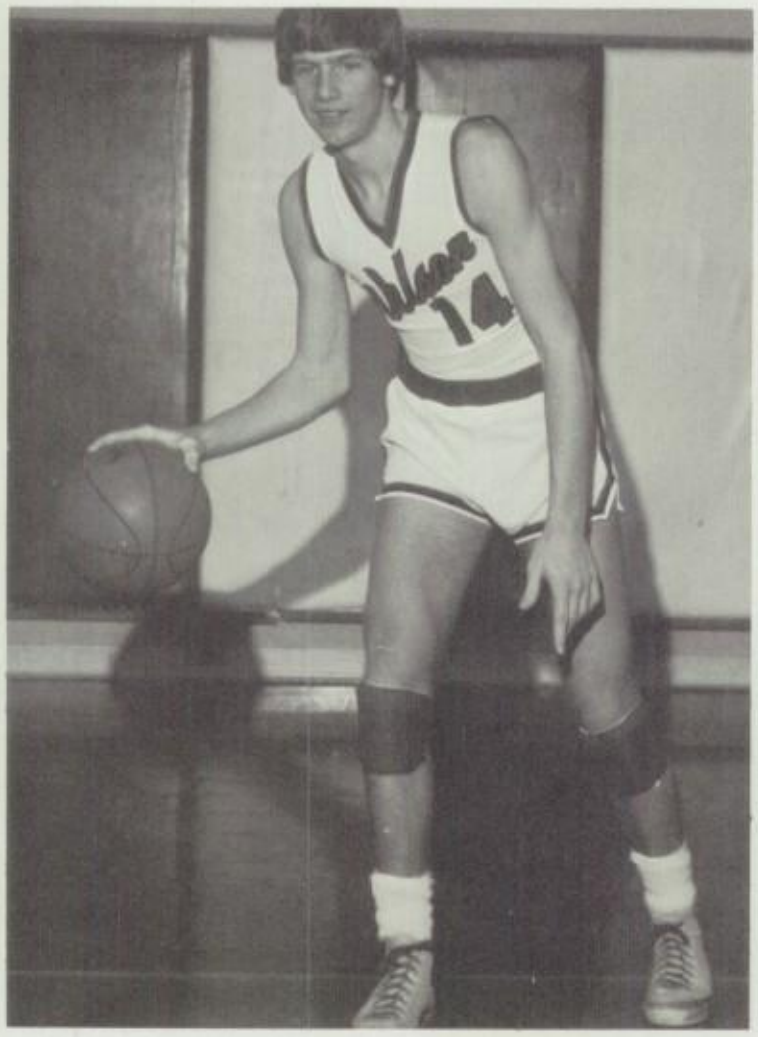
Captain-Sue Broome

The Girls Basketball team definitely had its ups and downs during the season. The one game that stands out above all others was the victory over Governor Mifflin, who up to that time was in first place. The squad was led by captain Sue Broome, co-captain Lynne Frebel, co-captain Julie Rothenberger, Lori Diller, and Nancy O'Connor.

Stick 'em up

. . . and all for one

The J.V. bench



Bob Ford-Team Captain

The bench?

With the advent of another Wilson basketball program under coach John Silan, the loyal fans possessed a great deal of anticipation for improvement over the 1976 season of 18 won and 5 lost. The fans were not disappointed nor the players to be denied as they witnessed Wilson High School's most successful season of 24 victories in 27 games. Also, the drought of 29 years of waiting for a Berks County championship was shattered. Other Berk's titles were won in 1937, and 1948, the year the Bulldogs defeated a John Silan-Kutztown team, 39 to 30.

The players instrumental in recording this record breaking year were seniors, Robert Ford, Michael Reedy, James Weidenheimer, Kyle Mills, Tony Casamassa, and juniors Rick Bosshard and Michael Wehrich.

Bobby Ford, the astute floor general, displayed outstanding floor savvy, sharp passing and maneuverability to claim a new one season record for assists, 142. Bobby's leadership was one of the key factors and also rates him as one of Wilson's finest backcourt performers. Bobby was 14th on the scoring list with 619.

Michael Reedy, the offensive-minded player with a great touch, continued his inside and outside shooting meshed the nets for a career total of 897 to be fourth in the Bulldog point producers. Mike also holds the following records: most fouls made in one game, 14; best foul shooting percentage in a career, 74%; best foul shooting percentage 58%; and best scoring average for a career, 17.9 for 50 games.

James Weidenheimer was 16th on the Bulldog scoring list with 553 points. He kept all defenses honest with his long range and side-shooting shots. Jim's penchant for dunking was fulfilled in the final game at home.

All three of these players could have been rated higher for they competed on a varsity level for only two years.

Kyle Mills, the elongated center, made the coach a prophet as he remarked in 1976 that the team would be glad to have Kyle in his senior year. Kyle did not disappoint his followers as he blocked shots and scored crucial baskes. He must be rated as the player that has improved the most.

BASKETBALL

Anthony Casamassa, the Mr. Reliable of the team, came off the bench to plug the defense and score vital points to turn around losing causes into victory. His knowledge of the game stamps him as a fine prospect for the coaching profession.

Juniors Rick Bosshard and Mike Wenrich also were important contributors to the Bulldogs. Rick with his aggresive play and hustle sparked the team on many occasions. Wenrich, handicapped by a knee operation, did not reach his full potential, but was counted upon as the player to make the differences in tight games with his rebounding and scoring abilities.

The success belongs to the above mentioned players but also playing and contributing were juniors Steve Owens, Paul Kaskp, sophomores Richard Bashore, David Filipini, and freshman James Kirkpatrick. The manager was Scott Surgeoner.

The record for league play was spotless with 16 and 0 and also marked a first in Bulldog basketball. The overall record of 24 and 3 with the defeat administered by Reading High twice, the District III Class AAA champions, once to Steelton, the District III runner-up. Wilson also defeatedthe Class AA champions, of District III-Cocoalico.

The staff of head coach John Silan, assistant coach Irvin Sonon, and junior high coaches, Dave Stafford, John Stopper, Scott Guistwite and Rick Bashore should be commended for their efforts in molding this team into one of championship caliber.

The coach called his boys a great bunch of kids that grew into young manhood as the season progressed. They knew their jobs and faced them with a great deal of professionalism and responded to all the hurdles of success with great preparation and sacrifice. The value of hard work, teamplay, respect for authority, and the determination to succeed were all absorbed in the season's play.

A job well done by a great group of kids.

—John Silan

FAREWELL NOW, MY FRIEND
I love you, my friend
You're quite dear to me,
A true friend you are and always will be.
But you're leaving me soon and going your own way,
Perhaps we will meet
In the future someday.
You've left me with memories of good times we've had,
A treasure forever and make me feel glad.
I wish you good luck in all that you do
May all of life's pleasures come your way, too.
Farewell now, my friend
And remember may you find some thoughts of me
Always in your mind.

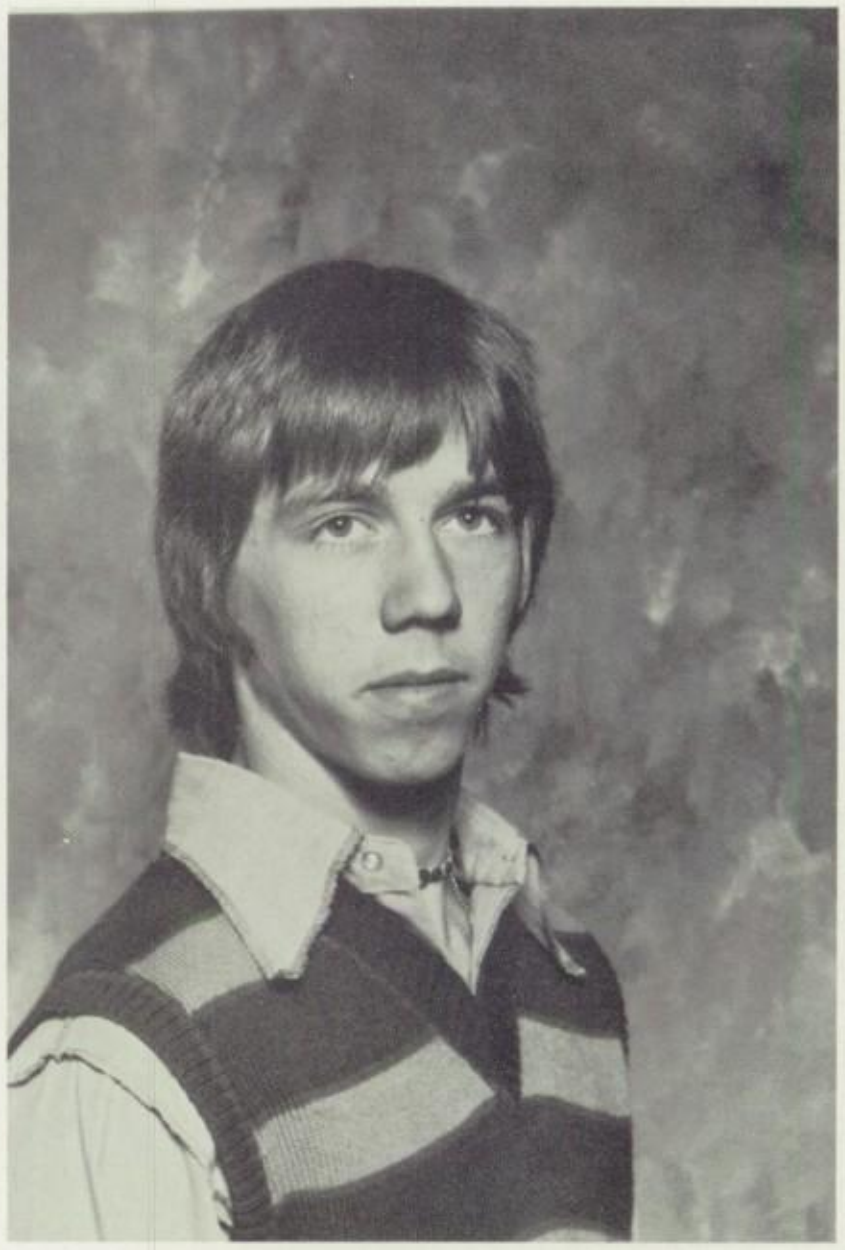
IN MEMORIUM



though time cellars grief, chills it to stiff regret,
warm tears often melt from hard sorrow
but i must struggle to give form to ink-tears,
saying "if only i had known him" rather than "of him"
my own tears would serve as a poem-model
instead of private tears of others who knew him

but i do know that such a young death is wrong
like an octoberfrost on a burnt summer noon
or a blue spruce shedding needles in autumn gusts

yet is death more than running nude into a blizzard
and blending with the snowdrifts and white sun?
and is to stop feeling more than freeing the hands
so unoccupied they can embrace all creation?

still, absence from the goings-on of this world
does not mean absence from the hearts of others
an artist blowing on his canvas to hasten its drying
may inadvertently create an air-bubble and thereby
preserve his breath among the freshly-daubed oil colors
and when he dies, his own breath lives on in the painting
so is it with the memory of one we have loved

i no longer find myself saying "if only i had known him"
thru others i feel i have come to know him and
i feel i have lost something; we all have

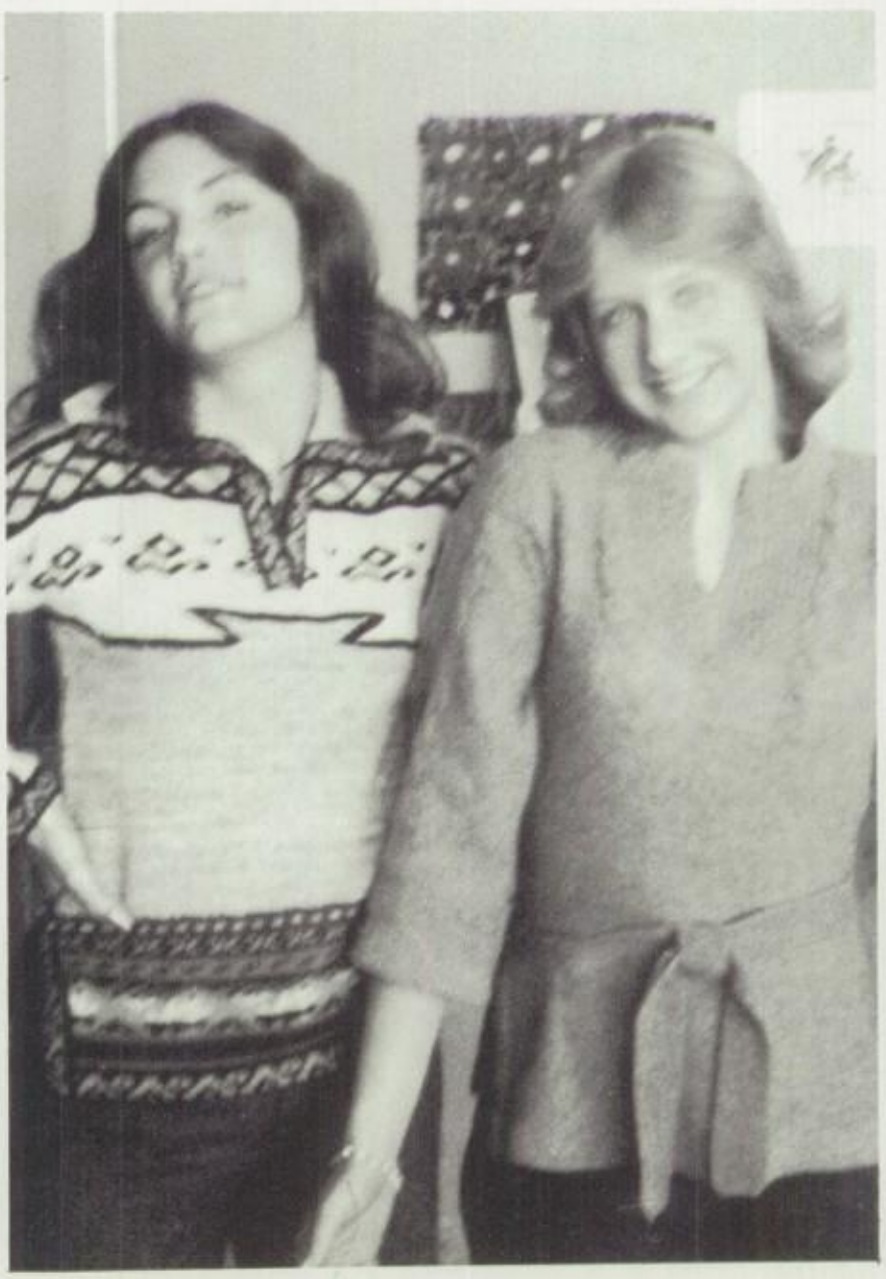
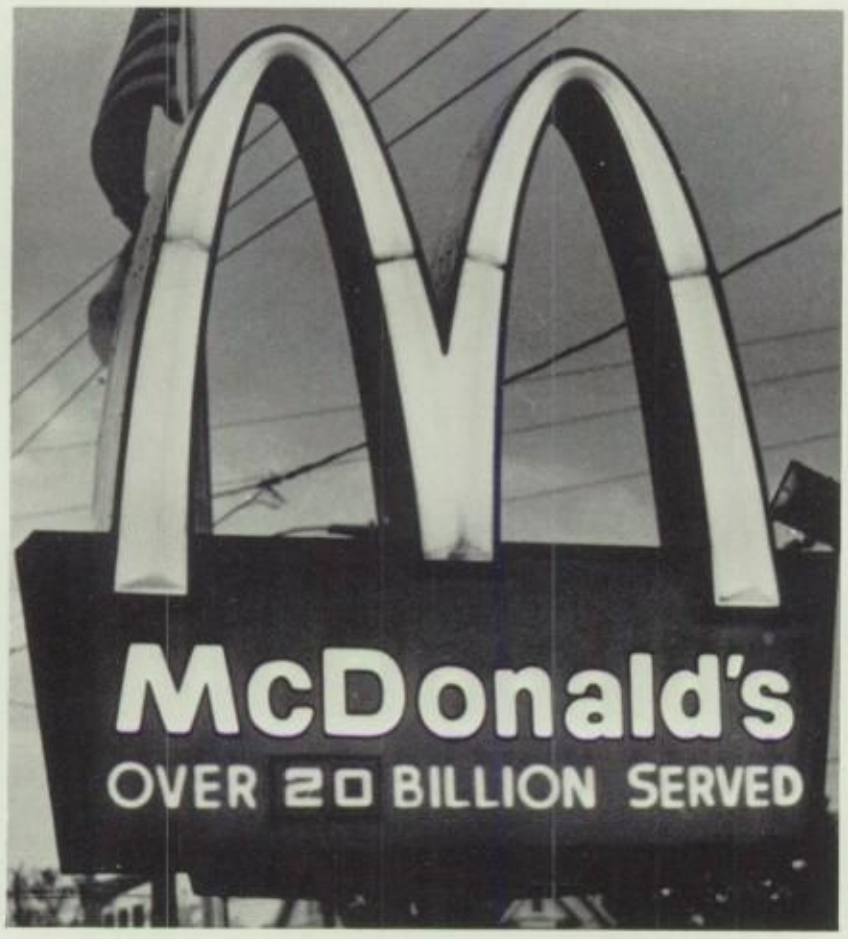
Another exciting day in math class

You're kidding!

Me, Tarzan.



Some of us have it, some of us don't.

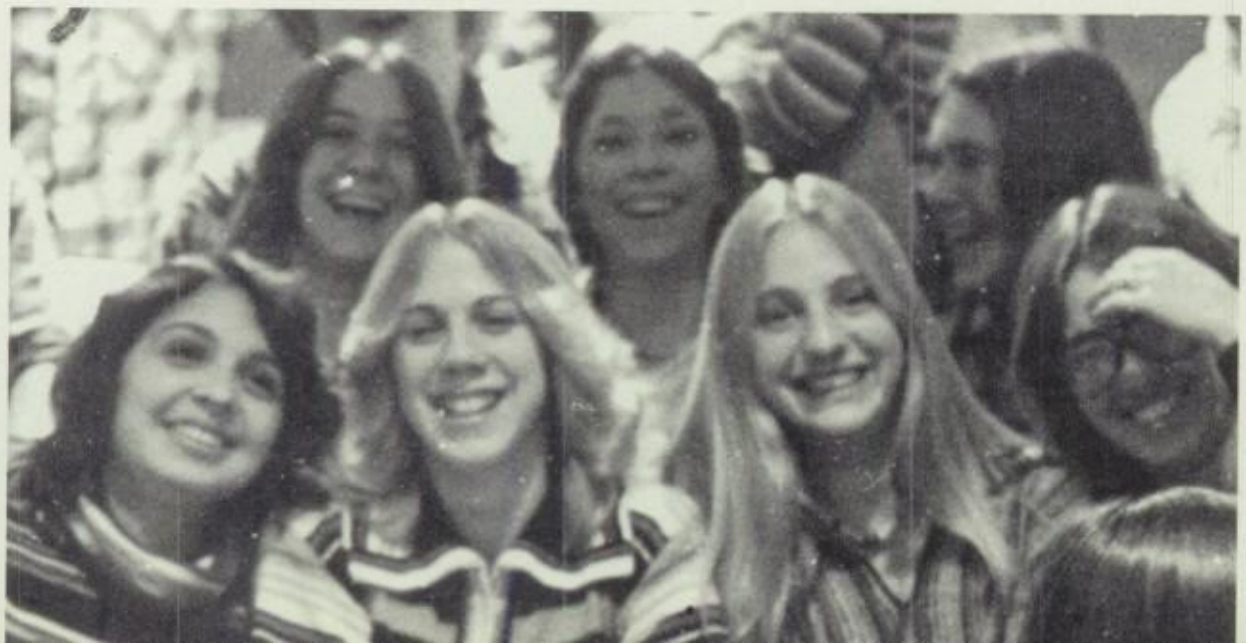


Wilson's favorite lunch break.

Muscles in the bottom, brains on the top.

Achtung! Fire No. 1.

Ann takes a breather.

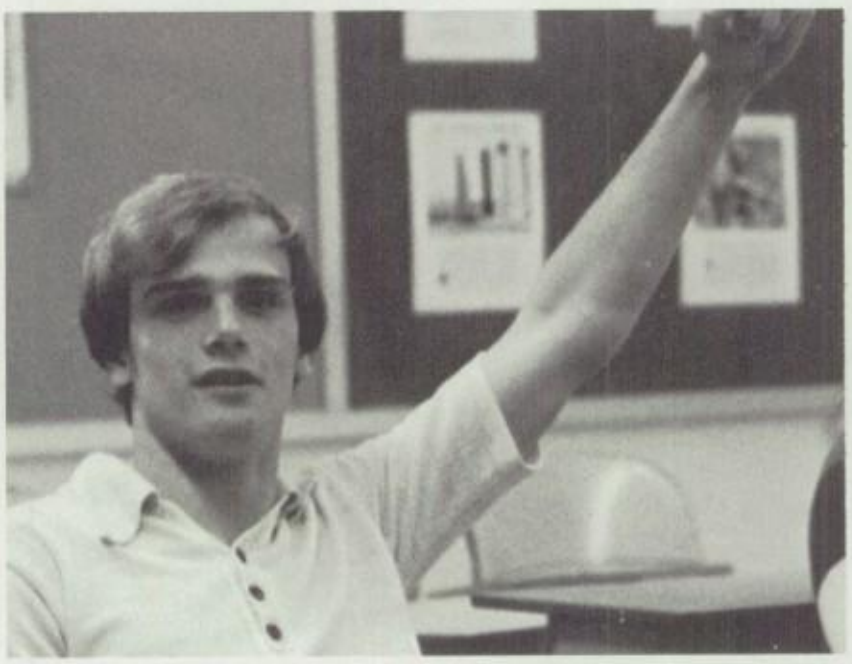


How's your love life, girls?

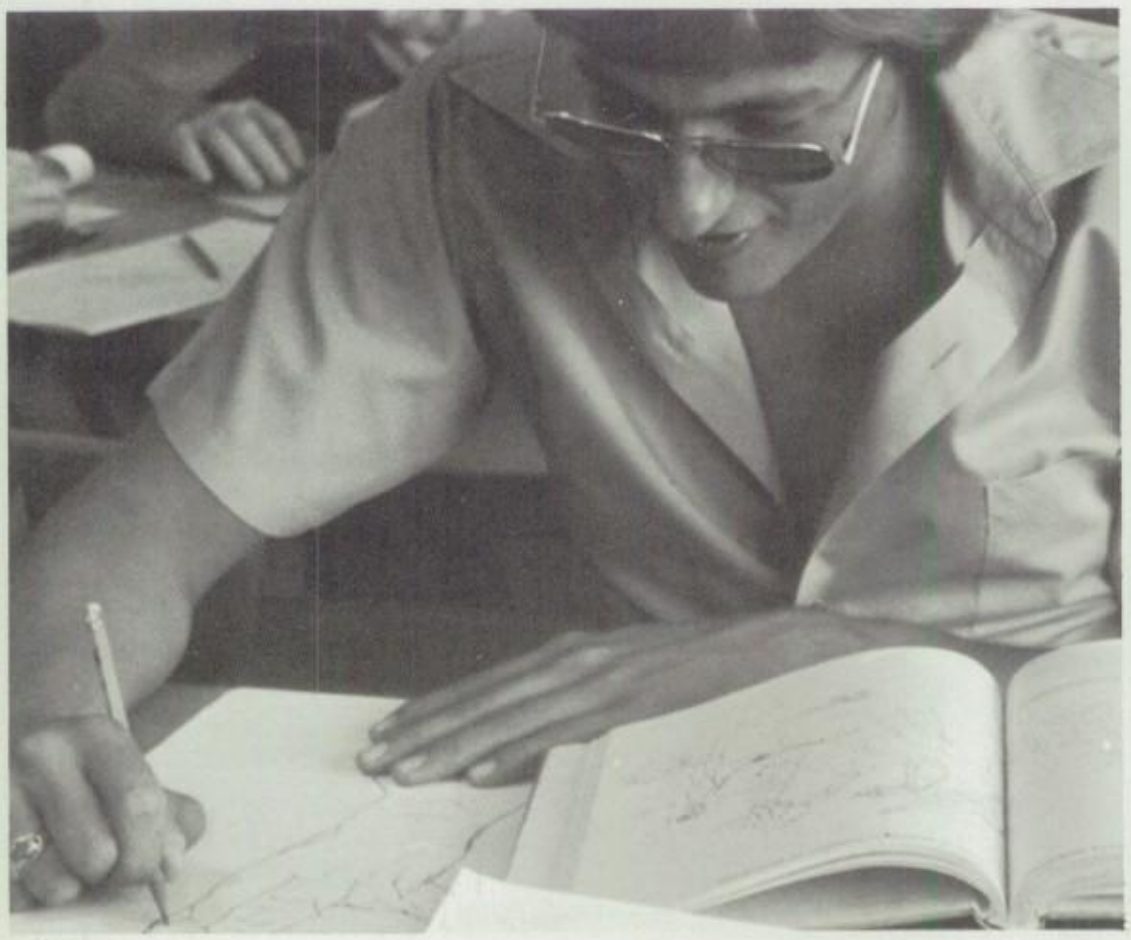
Lori and Sue, you're being watched!

What's up, guys?

asdfjkl;



I finally know an answer!



I wonder if Walt Disney started this way?

I hope Barry likes chocolate pie.
